

**TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE**

**FISCAL NOTE**

**HB 2365 - SB 2548**

March 4, 2014

**SUMMARY OF BILL:** Eliminates an exception in current law that allows a seller of beer to not require a purchaser to present identification if the seller reasonably believes the purchaser to be over fifty years old. Requires beer vendors to post additional signage indicating that persons under the age of 21 and in the possession of beer could lose their driver license.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumption:

- Any change in the number of violations for selling beer to individuals prohibited from purchasing beer is considered not significant.
- There will not be a sufficient number of prosecutions for state or local government to experience any significant increase in revenue or expenditures.
- Any change in the number of license revocations is estimated to be not significant. Therefore, any change in fee revenue is considered not significant.
